

Local Food Policy Council Goals

- Assess the diversity of local foods operations
 - Develop a list of places featuring local foods : restaurants, grocery stores
 - Develop a grower list and educational materials
 - Develop a foodie list and network
 - Reach farmers with good news and local foods

- Support Brunswick County Farmers
 - Get more produce into local markets/restaurants/groceries
 - Open a food hub in Leland
 - Share needs (what the hub wants to sell to others) with local growers
 - Certified kitchen available for value-added

- Enhance farm to school program
 - Assess needs
 - Provide produce in addition to strawberries
 - Taste testing in schools
 - Vegetables in pre-schools
